

PRESS RELEASE

ROCK FOR THE CURE - HEART

ALREADY 35% SOLD

“Rock For The Cure” Committee is proud to announce that the July 22, 2010 HEART concert tickets are already over 35% sold in only 5 short weeks.

“The Committee is happy with sales thus far so please don’t delay in getting yours” says Jacques Begin. “It is absolutely incredible that such a HUGE act is coming to our Region at the low cost of only \$20.00 per ticket. A reminder is

that Voyageur Days wristbands **DO NOT** get you in to see Heart. This is a totally separate ticket with net proceeds to the Canadian Cancer Society.”

Tickets for HEART are available at all North Bay & Mattawa Scotiabanks and Caisse Populaires as well at the Mattawa Travel Information Centre.

Don’t miss out on getting the chance to see HEART live and in concert in Mattawa Thursday July 22, 2010.
